MANAGEMENT REPORT

- 1. SEE ATTACHED CONSOLIDATED AUDITED AND INTERIM FINANCIAL STATEMENTS AND THE STATEMENT OF MANAGEMENT RESPONSIBILITY FOR THE FINANCIAL STATEMENTS.**
- 2. MANAGEMENT DISCUSSION & ANALYSIS OF PLAN OF OPERATIONS**

RESULTS OF OPERATIONS (For the period January-June 2016)

Ever Gotesco Resources and Holdings, Inc. (EGRHI) has a total revenue of P148.52 million for the period January to June, 2016 lower by P40.57 million or 21% compared for the same period last year of consolidated revenue of P189.09 million mainly due to discontinued operation of the subsidiary. Revenues were sourced primarily from mall and cinema operations.

Direct cost and expenses declined by 29%. The decrease primarily pertains to discontinued operation of subsidiary and timing difference on payments and booking on cost of utilities like water and electricity rate and declined on reimbursements of expenses from the existing tenants.

General and administrative expenses was almost same as last year for the same period from P17.68 million in 2015 to P17.53 million in 2016. Representation & entertainment decreased by 21% reduction on office supplies expense by 23%, telecommunication expense decreased by 25% while insurance expense increased by 64% and professional expense grew by 123%

Net income for Six Months operations ending June 30, 2016 posted at P48.59 million, which is 36% or P16.94 million lower with the same period in 2015 amounting to P86.78 Million.

The Group is faced with significant risk arising from unresolved legal cases. Prior to June, 2015 GTMDI's land, including the commercial complex situated thereon was foreclosed in 1999 by lender banks following GTMDI's loan default. These banks, however were not able to take possession of the properties pending the decision on the case by the Regional Trial Court of Pasig (RTC-Pasig).

In June 2015, the lender bank has taken possession of the investment properties in exchange of the extinguishment of its outstanding obligations from the lender banks. This resulted in the improvement of working capital position and the net asset position as December 31, 2015. However, the Group remains to have an accumulated deficit amounting to P2.4 billion and P2.6 billion as of December 31, 2015 and 2014, respectively.

For 2016 and the near term, the Company plans to look at other business opportunities outside of the mall operation as industry competition has become capital-intensive and continue to be dominated by big players. This is not expected to soften with the economic integration of the Asean market this year. Given the existing operational challenges, particularly in legal aspects and debt servicing, the Company will assess the revenue potentials of other industries such as those in tourism and agriculture which remained to be promising.

BUSINESS AND GENERAL INFORMATION

Business Development

The Company was registered with the Securities and Exchange Commission (SEC) on September 27, 1994 primarily to purchase, subscribe for, or otherwise acquire or exchange, or otherwise dispose of real and personal property of any kind of description, including shares of stock, and to do every act and thing covered generally by the denomination “holding company”. The Company started its commercial operations on December 1, 1995.

The Company owns 100% of the outstanding capital stock of Gotesco Tyan Ming Development, Inc. (GTMDI), owner of the Ever Gotesco Ortigas Complex. GTMDI was registered with the SEC on September 21, 1994, to engage in real estate and related business. GTMDI started its commercial operations on December 1, 1995 and had contributed P121.09 million in 2013 which was 35% of the total revenue, P128 million in 2012 or 37%; P129 million or 37% in 2011; and P133 million or 37% in 2010. All other information related to GTMDI is integrated in the other aspects of this report.

Gotesco Tyan Ming Development, Inc. (GTMDI) took-over ownership and operations of the Mall Cinemas (Ever Gotesco Ortigas Complex) from an Affiliate on August 15, 2003. Cinema receipts contributed to GTMDI operations –P2.23 million in 2013 or 2% of total revenue, P2.47 million or 2% in 2012, P3.34 million or 3% in its total revenue in 2011 and P3.88 million or 3% in 2010. The decreasing revenue in cinema operations was due to film piracy, internet and cable television connections plus the fact that the cinemas need to be renovated and up-graded.

The Company has two operational malls namely Ever Gotesco Commonwealth Center (EGCC) and Ever Gotesco Manila Plaza (EGMP); and one named Ever Gotesco Ortigas Complex (EGOC) by its subsidiary company. Tenants Lease contracts for EGMP were not renewed in April 1, 2011. The Company did not pursue for more mall construction as she is affected by the general economic crisis. EGOC was foreclosed and sold in public auction to Philippine National Bank in July 1999. The Company failed to redeem the property within the one-year grace period but still is in possession and continues to manage the Mall by virtue of the right of preliminary injunction that was given by the Court on December 20, 2000.

In 2009, the Company and its Subsidiary (GTMDI) entered into a Compromise Agreement (CA) with the Creditor Banks (Philippine National Bank, Development Bank of the Philippines and Security Bank) of its foreclosed properties. The Compromise Agreements put on hold pending Court cases in lieu of the Company and its Subsidiary faithful compliance with the conditions set in the CA's. More details are discussed in Item # 3 and Item # 6 of this report.

EGHRI consolidated net income went down by 11% compared in 2011 partly due to the decreased in cinema income, in which the existing cinema houses not anymore competitive with the modern facilities of other malls. Rental mall income reduced also because of the decline on occupancy of mall tenants which were affected by the economic crisis. Another factor was the exorbitant cost of utilities like light & power, and water expenses which were main contributing factor of the mall expenses. With the difficult market and financial environment in 2009, it was a big challenge for the group but management is positive for next year improvement.

In 2010 total revenue for EGRHI dropped by 1%, direct cost and expenses increased by 3% while general and administrative expenses decreased by 73% interest expense exceeded the other income which resulted to a decline of net income of about 59%.

Year 2011 was a good year, net income shoot up by 81% mainly due to cost cutting measures observed by operations which maintained the direct cost and related expenses, the increase in other income/accretion income was a plus factor on the increase from ₱47.23 million in 2010 to ₱85.28 million in 2011.

During the year 2011 and the preceding years, the Company and its Subsidiary have not filed for Bankruptcy; have no transactions on Receivership or Similar Proceedings; and have no transactions on any material reclassification, merger, consolidation or purchase or sale of a significant amount or assets.

In 2012 Ever Gotesco Resources and Holdings, Inc. (EGRHI) and its wholly owned subsidiary has a consolidated revenues for the year of ₱348.23 million, declined by 1% or ₱2.89 million compared with the revenues in 2011 of ₱351.12. Revenues were primarily sourced from mall leasing activities and cinema operations. The reduction was mainly due to dropped in Cinema Sales because cinema should be modernized and up-graded to be competitive with the nearby malls.

Direct cost and expenses decreased by 6% because of the cost cutting measures imposed by management, also resulted to the decrease in entertainment, amusement, by 18%, dropped in transportation & communication by 23%, office supplies by 33% that affect the total General and Administrative expense by reduction of 8%.

Net income was posted at ₱75.79 million in 2012 while ₱85.28 million in 2011, 11% decrease due to lower accretion income and the decrease in interest expense due to the prevailing interest rates were much lower than the 2011 rate.

In year 2013, Ever Gotesco Resources Holdings Inc. & its subsidiary maintained its consolidated revenues, almost the same as that of last year P347.95 in 2013 and P348.23 in 2012. The slight reduction on leasing operations was due to timing difference on incoming tenants and the renewals of the existing leases plus the reduction on cinema rental income by 11% from P2.5 million in 2012 to P2.23 million in 2013 while direct cost and operating expenses for cinema operations increased by 14% from P4.5 million in 2012 to P5.13 million in 2013.

In 2013, there was no significant movement on total direct cost, leasing and cinema operation compared in 2012 from P223.09 million to P223.84 million in 2013 due to increase of 57% on taxes and licenses, increase on cost of labor/agency fee by 32% which was offset by the declined on rental lease by 21% and other expenses by 14%. General & administrative expense shoot up by 97% mainly due to provision of doubtful accounts for advances of inactive operations of some affiliated companies, increased also on repairs and maintenance, office supplies and other expense by 78% and 134% respectively.

Net income was recorded at P74.17 million in 2013 while P75.85 million in 2012, net effect of the increased in general and administrative expenses and interest expenses versus the accretion income was the reason for the slight declined.

Business of Issuer

Description of Registrant Products

The company builds shopping malls and leases out to commercial tenants. The company's malls are primarily leased out to Ever Department Store and Supermarket, Cinemas, banks, amusement centers, food shops, specialty stores, boutiques, drug store, service shops, gym and sporting facilities. The mall has an atrium, state-of-the-art amenities, facilities, security and safety systems.

Revenues of the company and its subsidiary (GTMDI) are generated principally from its leasing operations and other income are derived from recovery (excess) of reimbursable expenses from tenants, cinema operations, interest and penalties from late payments and service requests of tenants.

Competition

Despite the growing market base, there is stiff competition among the different shopping centers because of the growing sophistication of consumers and continuous construction of shopping malls causing a thinner market spread. The trend is toward a one-stop shopping mall with more modern and complete facilities, and attractions that includes mall shows and entertainment. The Shopping Mall Industry is dominated by SM Malls with other big shopping mall chains such as Robinsons, and Ayala Center. The Company's Ever Gotesco Commonwealth Center Mall is affected by Shoemart (SM Fairview); Robinsons (Big R in Fairview and Robinsons in Commonwealth Avenue); Rustan's (Shopwise in Commonwealth Avenue), Berkley Commercial Center (in Commonwealth Avenue); Royale Arcade (Don Antonio Ave. beside the Ever Commonwealth Mall); and Puregold (in Commonwealth Avenue and San Mateo, Rizal). The Subsidiary's Ever Gotesco Ortigas Complex is likewise affected by shopping centers within the vicinity especially by Super 8; Robinson's Big R; Sta. Lucia East Commercial Center and Robinson's East Metropolitan Center and Shoemart Cainta. Despite the foregoing factors, the Malls of the Company are very competitive because of their strategic locations and its own captive market and regular patrons – the neighboring subdivisions and populace living therein who are proximate to the Ever Malls.

Description of Property.

The Company has the following properties:

Land holdings of EGRHI and subsidiary as of June 30, 2013 include:

1. A 60,000 sq. m. lot (covered by TCT No. PT-97306) located along Ortigas Ave. Ext., Barangay Rosario, Pasig City, which is the present site of the Ever Gotesco Ortigas Complex is owned by GTMDI, a wholly owned subsidiary. This property including its improvement, the Ever Gotesco Commercial Complex served as collateral for the P800 million Syndicated Five Year Loan provided by the Philippine National Bank, Metropolitan Bank and Trust Company, United Coconut Planters bank, and CityTrust Banking Corporation is secured by a Mortgage Trust Indenture (dated April 7, 1995 and appointing PNB Trust Banking Group as Trustee). GTMDI had defaulted in its loan obligations on January 1998 which led to the foreclosure and sale through public auction to PNB on July 30, 1999. GTMDI was not able to exercise the right to redeem the property within the one-year grace period as provided by law. However, title of the property has not been transferred yet because the company filed a complaint in the Court and was given the right of preliminary injunction, thus, GTMDI continues to derive rental revenues

therefrom. In 2009 the Company entered into a Compromise Agreement with PNB which put on hold the pending Court case. The latest appraised value of the land and its improvements is P2.85 billion which was conducted by Valencia Appraisal Corporation in January 21, 2008 and P2.1 billion as of April 16, 2012 by Vitale Valuation Services, Inc.

2. A 112,047 sq. m. lot (covered by TCT Nos. 364590, 364591, 364592, 364593, 364594, and 364595) along Provincial Road, Barangay Real, Calamba, Laguna is the site of Ever Gotesco Laguna Plaza. The aforesaid real estate properties together with an assignment of the rentals receivable on the leaseable areas of the proposed mall served as a collateral for the P600 million (only P 500 million was drawn) Syndicated Loan Agreement with a five-year term with the Philippine National Bank, the Security Bank Corporation and the Development Bank of the Philippines on May 28, 1996 for the construction of Ever Gotesco Laguna Plaza. The company had defaulted in its debt obligations with the lender banks in March

1998 which led to the foreclosure and sale through public auction to PNB on November 3, 1998. The Company did not exercise its right to redeem the property within the one-year period. This property has been written-off in 1999 against the loan it secured, resulting in a foreclosure loss of about P 663.4 million. The company filed a complaint in the Court and was granted the right of Temporary Restraining Order, and subsequently, a Temporary Injunction. In 2009 the Company entered into Compromise Agreements with the Creditor Banks for the re-acquisition of the property and which put on hold the pending Court case. Together with the improvement (at 59.02% completed), the property was appraised at P2.5 billion on September 24, 1997 by Valencia Appraisal Corporation. As of January 6, 2014 the property was appraised at P 1.94 billion including improvements (net of depreciation) by Valencia Appraisal Corporation also.

3. A 66,390 sq. m. lot located at the district of Caranglaan and Mayombo, Dagupan City, Pangasinan in which Ever Gotesco Dagupan Center will be constructed. The latest appraised value is P29.88 million as appraised by Valencia Appraisal Corporation on February 28, 2006.

4. A 17,079 sq. m. lot located in M.H. Del Pilar St., Dagupan City, Pangasinan. This served as a collateral for the assumed mortgage of P126 million from Philippine National Bank. The company had defaulted in its debt obligations with the bank in November 1997 that which led to the foreclosure and sale through public auction to PNB on March 15, 1999. The Company did not exercise its right to redeem the property within the one-year period. This property has been written off in 1999, resulting in a foreclosure loss of P146 million. The company filed a complaint in Court and was granted by the Court a Writ of Preliminary Injunction. The latest appraised value is P337 million.

Commercial Complexes and Improvements:

1. **Ever-Gotesco Commonwealth Center** - The center is located on a 5-hectare lot being leased at the corner of Don Mariano Marcos and Commonwealth Avenues, Old Balara Quezon City. The lease term is for a period of 25 years or up to year 2015 at an initial monthly rate of P525,000, with a 5% annual escalation rate. The structure consists of 5 levels and covers a total floor area of 91,053 sq. m. with parking and common spaces designed to accommodate 30,000 shoppers and promenades. Said property is free from any encumbrances. The building and other improvements including all machineries and equipments in the Mall has a fair market value of P2.26 billion as appraised by Valencia Appraisal Corporation on January 21, 2008 and P2.05 billion in January 6, 2014 by the same appraiser.

2. **Ever Manila Plaza** - The center is a 4-level commercial-cinema complex covering a total floor area of 16,377.2 square meters. It is strategically located along C.M. Recto Avenue, Manila fronting Morayta Street, within the University belt. The Mall was constructed over a 25- year leased parcels of land owned by an affiliate (monthly rental rate of P819,082) and from certain individuals (please refer to item # 2 under Properties under Lease Agreements below). The parcels of land of the Affiliate together with the building constructed on it were used as collaterals to secure certain financial obligations of affiliate companies taken from the United Coconut Planters Bank (“UCPB”).

The aforecited affiliate companies defaulted in the payment of its obligations with UCPB leading to the foreclosure of the mortgaged property and the foreclosure sale effected on December 31,

2001. The title of the property was already consolidated in the name of UCPB and presently subject of lease agreement between UCPB and Superfriend Holdings, Inc. (SHI).

Annex to the Mall building foreclosed by UCPB is the building constructed on the lease area from certain individuals (as mentioned in item # 2 under lease agreements) that which remain being operated and leased out to Tenants by EGRHI.

3. **Ever-Gotesco Laguna Plaza** - The mall would be a 5-level complex with a floor area of about 91,000 sq. m. It was envisioned as nucleus of the new mixed subdivision, which will integrate the planned hot spring resort, golf course, theme parks, commercial and residential developments in the area. Construction of this mall is partly financed by a P600 million (P500 million of which has been actually drawn down) syndicated loan with PNB, SBTC and DBP to which rental receivable from this mall together with the improvements and land (as described in land holdings item # 2) are assigned as collateral. Construction of the project has slowed down towards the end of the last quarter of 1997 and eventually stopped in 1998 because of the economic crisis. Please refer to land holdings under item # 2. The cost of improvements together with the land has been written off in 1999.

4. **Ever-Gotesco Dagupan Center** - The proposed mall would be a 5-level complex with a floor area of about 91,000 sq.m. Project mobilization and ground works started during the last quarter of 1996 and had formal ground breaking and back-filling activities during the first quarter of 1997. However, management had decided to defer construction of the project because of internal and external factors that could adversely affect the project. Cost of improvements had amounted to P3.5 million. Please refer to land holdings item # 3.

Properties under lease agreements:

EGRHI has the following lease agreements:

1. Ever Gotesco Commonwealth Center - The lease term is for a period of 25 years or up to year 2015. Absolute ownership of the Building shall automatically be transferred to the Lessor without the need of any further act on the part of EGRHI after the expiration or termination of the term of the contract of lease.
2. Ever Gotesco Manila Plaza - A lease term (covering 469 sq.m. of the land to which the Mall partly stands) for a period of 20 years or up to 2014 with advance rental payment for the first two years and a monthly rate of P140,700 on the third to fifth year and thereafter annual escalation rate of 10% every after two years. EGRHI is given the priority for lease renewal or purchase of the property should the lessor decide to sell the property. EGRHI continues to derive rental income from the Tenants occupying this part of the Mall Building.

The Company intends to pursue negotiations with Creditor Banks for the possible re-acquisition of some foreclosed properties.

Disclosure on Garnishment of Lease Payments

The Notice of Garnishment on lease rental receivables issued on January 27, 2000 by the RTC of Manila against the parent company, its subsidiary and certain affiliates in relation to a civil complaint by the Banko Sentral ng Pilipinas was served to various tenants. This has substantially impaired collection effort on lease rental receivables and added to the company's cash flow problems. The Garnishment Notice limited the company's collections to tenants' utility dues and other assessments, which were exempted from the Garnishment. Cash Flows from these collections, however, allow the continuity of the mall operations and sustain the company's going concern. The company's counsels filed a Motion to Dismiss on the grounds, among others, that (a) summons were improperly served such that the Court did not acquire jurisdiction over the Company and certain affiliates, and (b) the complaint states no cause of action or if it does so state, it is founded on illegality. The said Motion to Dismiss was consolidated with a Motion to Dissolve the Writ of Preliminary Attachment. In 2003, the Group together with their co-defendants, on the garnishment case, entered into an extra-judicial settlement with the plaintiff. As a result, the RTC lifted the garnishment of lease payments on January 14, 2004 which the RTC returned to the Company. However, as the parties have agreed on the amortization schedule, the BSP filed a motion of execution anchored on the compromise agreement. While the RTC- Manila initially denied such motion, it eventually granted the same via a motion for execution. As a result thereof, Writ of Garnishment was issued.

Foreclosure of Mortgaged Properties

Disclosure on the pull out of Anchor Tenant (Cinema)

The adverse impact of movie piracy has taken its toll on the movie industry. Gotesco Investments, Inc. (GII), a major player in the cinema business and an anchor tenant of the Company, was no exception. GII originally occupied and operated ten (10) cinemas at GTMDI, a wholly owned subsidiary of EGRHI, and nine (9) cinemas at EGRHI, the parent company. Towards the end of 2002, GII closed five (5) out of ten (10) cinemas at GTMDI and expected to consolidate patrons in its five (5) remaining cinemas. However, GII continued to experience a deteriorating traffic of movie-goers and the consequential drop of its ticket revenues. As a result, GII management decided to totally close the five (5) remaining cinemas and three (3) cinemas in 2003 and turned over the same to GTMDI and EGRHI, respectively.

In 2004, GII turned over nine (9) remaining cinemas to EGRHI, the parent company. EGRHI generates an average monthly rental revenue of P1.227 million or P14.727 million annually for the said remaining cinemas. The closure translates to an annual rental revenue loss for EGRHI by P14.7 million or 9% of its total annual revenue generation, and 4.6% to the consolidated rental revenue. Moreover, the Cinemas are considered as one of the major amenities of, and basic to, mall operations. Minus the Cinemas, low customers' traffic may be experienced. To preserve the contributions of the Cinemas to the mall's customers' traffic and to lessen the impact of rental revenue loss, GTMDI management, with the corresponding approval of its Board of Directors, decided to retain and takeover the operation of the five (5) cinemas. Operation of the cinemas generated revenue of P2.47 million in 2012; P3.34 million in 2011; and P3.88 million in 2010. In EGRHI, the parent company, the four (4) cinemas retained and presently being operated by Eagle Production Int'l Films Inc. while the remaining five (5) cinemas were converted to leasable spaces such as amusement, foods and other retail stalls.

PENDING MATERIAL LEGAL PROCEEDINGS

Land Bank of the Philippines vs. Ever Gotesco Resources and Holdings, Inc.

This short-term loan by the Parent Company from LBP which was due for settlement in December 1997 was rolled over for another ninety days or up to March 1998. The loan was not allowed by the lender bank to be renewed thereafter. Initial proposal for its restructuring was not approved by the bank. As a result, the lender bank filed a civil complaint (Civil case No. 99-1454, RTC Makati, Br.56) against the company.

On November 22, 1999, the company lawyers filed their reply and submitted to the Court among others, the ongoing negotiations for the settlement of the obligations such that the complaint is premature, hence, counter-claimed that the plaintiff (Land Bank) be ordered to sit down with the company for the amicable settlement of the case. At the pre-trial set by the Court on November 12, 2000, the Court considered the company's submission that consistent with what the lawyers averred in their answer to the complaint, the company is ready to go into negotiation for the settlement of the case. The case was archived via an order dated February 9, 2009. Be as it may the Company continues its negotiations and is optimistic that it can work out a solution that is acceptable to Land Bank of the Philippines.

Plaintiff has already completed the presentation of the evidence. It is now defendant's turn to present evidence which was set on September 4, 2013 at 8:30a.m. The previous counsel, Fernandez, Pacheco & Dizon Law Offices is no longer handling the case, hence, defendant shall be represented by new counsel.

Garnishment of Bangko Sentral ng Pilipinas (BSP) vs. Orient Commercial Banking Corporation

The company and its subsidiary company together with other affiliated companies were served a "Notice of Garnishment on Lease/Rental Payments" issued by the Regional Trial Court of Manila Branch 12, last January 27, 2000 in relation to a civil case complaint by the Bangko Sentral ng Pilipinas .

In summary, the BSP filed a case of sum of money against Orient Commercial Banking Corporation (OCBC) and other affiliate corporations of Gotesco. As a provisional remedy, BSP prayed for the granting of a writ of preliminary attachment against OCBC and other companies to which the Board of Directors of OCBC has substantial interest, including EGRHI and GTMDI, which the Court granted. OCBC, EGRHI, GTMDI and other companies filed a Petition for Certiorari with the Court of Appeals which ruled in favor of OCBC and other defendants. BSP filed a Petition before the Supreme Court, but before it could rule on it, the parties entered into a Compromise Agreement which was consequently, approved by the trial Court. Said Compromise Agreement has effectively lifted the writ of preliminary attachment and the whole obligation shall be settled on staggered basis.

BSP filed a motion for execution which was granted by the RTC. EGRHI et. al., filed a Motion for reconsideration but was denied.

EGRHI et. al., elevated the case to the Court of Appeals. An urgent Motion for Inhibition of Justice Villamor was filed by petitioners.

EGRHI vs. PNB and Efren Marcelino Bascos

The company assumed a loan of P126 million from Philippine National Bank for the construction of its Ever Gotesco Commonwealth Mall on a parcel of lot located in M.H. Del Pilar St., in Dagupan City, Pangasinan that was used as collateral. The company had defaulted in its loan obligations with the Bank on November 1997 which led to the foreclosure and sale through public auction of the collateral property to PNB on March 15, 1999. The company was not able to exercise the right to redeem the property within the one-year grace period as provided by law. The property has been written off in 1999, resulting in a foreclosure loss of P146 million.

The company filed a complaint (Civil Case no. 2000-0355-D) with the Regional Trial Court Branch 40 in Dagupan City seeking the Annulment of Foreclosure Proceedings/Sale of the property. The Court granted the company's application for a temporary restraining order on the said foreclosure, and subsequently, a temporary injunction on January 10, 2001. PNB and other creditors filed a Notice of Appeal and until the present. The Court of Appeals ruled in favor of the Bank. The Company thereafter filed a Petition for Review under rule 45 of the Rules of Court with the Supreme Court. Unfortunately, the Supreme Court denied the Petition for Certiorari. The case is, therefore, remanded to the RTC of Dagupan City. The case was set for hearing and EGRHI presented its evidence.

EGRHI vs. PNB, Security Bank, DBP, et. al.

In May 1996, the Parent Company obtained loans from a syndicate of three local banks let by PNB, to partly finance the construction of the Ever Laguna Plaza. The parcel of land that was the site of construction, the improvements thereon and the future rental receivables of the commercial complex when completed serve as the collateral of the loan.

However, the onset of the Asian economic crisis and the downturn of real estate industry took its toll on the Parent Company as it incurred substantial losses that placed severe pressure on the cash flow thereby resulting in the Parent company defaulting on its scheduled payments in 1997 and led to the foreclosure of the aforesaid assets. The Parent Company was given redemption period until November 1999 but this was not exercised by the Parent Company. Accordingly, assets totalling about P1.365 billion, consisting of the land and its related improvements, were offset against the loan of P500 million with accrued interest resulting in a loss of P663.4 million which was recorded in 1999. During the course of the trials, EGRHI and PNB agreed to settle and entered into a Compromise Agreement which causes the dismissal of the case against PNB. In October 19, 2009, EGRHI and PNB executed a compromise agreement where the parties hereto agreed to settle and to avoid further litigation between them. PNB agreed to sell, transfer, and convey in favor of EGRHI the former's rights, title, interests and participation over its fifty percent (50%) of the property in the amount fixed at 310,000,000.00 payable in 7 years.

Morrisson and Foerster v. EGRHI

The former overseas lawyer of EGRHI filed a case for the recovery of attorney's fees. Morrisson and Foerster's services was engaged by EGRHI to represent the interests of the Company in a case against the former franchise owner of Pricesmart membership club.

The RTC, however, decided the case in their favor and EGRHI filed a timely notice of appeal which was granted in an Order dated November 10, 2011.

The Court of Appeals ruled in favor of Morisson and Foerster. EGRHI filed a motion for reconsideration.

Toll Regulatory Board v. PNB, et al.

This is a case filed by the Toll Regulatory Board against the defendants for the expropriation of the parcels of land subject matter of in the case of EGRHI v. PNB as mentioned above and this case was referred to the Board of Commissioners. A writ of possession was issued by the trial court. A petition for certiorari was filed by DBP before the court of appeals. The Court of Appeals reversed and set aside the order granting the writ of possession. The trial court ordered the counsel for DBP to furnish all parties copies of the decision and resolution of the Court of Appeals. In the meantime, the trial court does not set a case for hearing.
